

# THE TETLEY

## COVID-19 Operational Policy

The Tetley is committed to keeping our visitors and staff safe.

Our team have been fully trained in all of our new policies and we are working on advice and guidance provided by the UK Government.

These include but are not limited to the following:

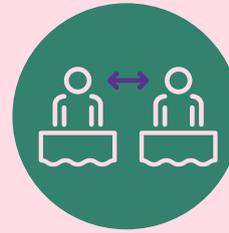

To help us maintain a safe number of people in the building we ask all guests to pre-book your visit.

We ask visitors not to visit The Tetley if they are displaying symptoms of COVID-19.

On arrival we ask that all visitors sanitise their hands on their way into our building at one of our hand sanitiser points.

The layout of our building has been adjusted to allow for social distancing to keep our guests and staff safe.

Enhanced cleaning regimes have been implemented throughout the building to prevent the spread of COVID-19.

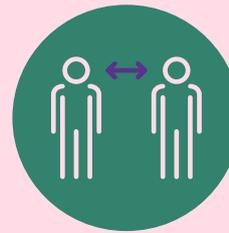

We will no longer be accepting cash at The Tetley and ask that visitors pay using contactless where possible.

Menus in our Bar & Kitchen can be viewed and bills paid for on your own device through dedicated QR codes.

Personal protective equipment (PPE) is readily available and face coverings will be worn by our Front of House team.

The number of employees we have in the building at any one time has been reduced to allow for safe social distancing.

All employees have been retrained in the correct and most effective way of washing hands.

Any member of staff displaying symptoms of COVID-19 will be asked to leave immediately.

Reduced hours and shift patterns allow our teams to travel to work outside of peak hours.

In line with Government guidelines, we have assessed all COVID-19 hazards and have introduced controls so we can operate safely.

For more information please see our 'How we work – Guide for Visitors'
